FROM THE ALZHEIMERS ASSOCIATION By Mary Ann Malack-Ragona, Executive Director/CEO

Since I have not had an opportunity to speak with many of you since last year's Memory Walk, first let me extend, on behalf of all of the families we serve, our heartfelt gratitude for all that you did to make our 2005 Walk such a huge success. Your efforts helped us in many ways:

- 2005 LI Memory Walk raised over 183,000 to help support local programs and services offered at the Long Island Chapter.
- Helped us launch our pilot Alzheimer's disease curriculum for professional Caregivers at St. Joseph's College in January.
- Enabled us to bring over 200 attendees to our Annual Education Conference held in March.
- Have helped put us in an office in Nassau County at the Zucker-Hillside Pavilion.
- Will enable us to launch four off-campus training sites beginning this September.
- Make it possible for us to continue to reach families all across Long Island through our Help Line, National Contact Center & Support Groups.
- Your efforts help our Safe Return Program find wandering individuals and return them to their homes.

You are extraordinary individuals, with the "Compassion to Care & the Leadership to Conquer!"

This year's Walk theme is "Come Join the Circus! We have a lot of surprises in store and I will keep you posted as we move along with Memory Walk. I look forward to working with all of you to make our 2006 Memory Walk another successful event.

KIWANIANS YOU ARE THE BEST!!!--Thank You

A MESSAGE FROM NY DISTRICT FOUNDATION CHAIRPERSON STEVE HALLER

I would like to acknowledge and thank the clubs who have responded to the 2006 New York District Foundation raffle to benefit underprivileged and handicapped children.

Kiwanians Enjoy Int. President's Visit

These clubs have participated by taking anywhere from one ticket to three tickets. I truly appreciate their support. So where is yours???? I sent out to 290 Kiwanis Clubs in the state and have only received

responses from about 25 Kiwanis Clubs.

Summer is fast approaching and before you know it, we will be headed to Saratoga for the New York District convention. I know you join me in wanting this raffle to be a tremendous success. The KIDS are counting on you and so am I. Please, please, sell your raffles. And if, by any stroke of luck, you need more tickets or information, please call me at (516) 731-4892 or fax me at (516) 731-4602

You have always done your part to keep our Kamp in terrific shape and I know I can count on you again.

FROM THE DESK OF LG WARREN KALMENSEN

Kiwanis is a community service organization that provides the opportunity for fellowship both within our own club and among all the clubs in our division. This can be experienced by joining together with members of your own club and visiting (interclubbing) with other clubs in our Division. Interclubbing allows us to share our experience and gain new ideas from others, the chance to meet new people, and strengthens our ability to serve the Community.

Kiwanis is!! What we make it!! By working together in service we make Kiwanis Great.

PER UN ANGELO SHINES BRIGHTLY AS DIVISION COMES TOGETHER

The May divisional was held at Per Un Angelo's Restaurant which used to be known as the Jones Beach Hotel. If you attended, you might have noticed that the

seats were a little closer together, but that just made the Fellowship a little better. Both the staff at the restaurant and LG Warren had to hustle as both the restaurant and the agenda were filled to capacity.

We were fortunate to have J. Donald Herring who is a candidate for the office of New York District Governor. Don Herring has served as the Secretary for the New York District, and he brings a wealth of experience to the position of Governor. His goal is to increase the district's membership by one member for each club.

Eric Shyman gave a short but informative program about Autism. There was also a short program given on common injuries that are experienced by children playing sports.

After all was said and done, a good time, and wonderful meal were had by all.
