

THE SENTINEL

ISSUE 1
OCTOBER 2006

FROM THE DESK OF LG SUE

As the new Lieutenant Governor on the block, I'd like to welcome all of you. I look forward to working with you during the upcoming year. Anything that I can do to help you in your efforts to make your clubs stronger will be done. Please feel free to call upon me at any time.

PLG Warren Kalmenson and LG Sue Martin

If you've attended any of our divisional meetings, you already know that we are both a very strong and active division. That's one of the reasons

that the meetings tend to be a little bit long. We are a strong division because all of our clubs contribute something to the effort, and all of your work and support is greatly appreciated. Your club is the foundation upon which the division rests, and as I mentioned above, I will do anything that I can to assist your club and its members.

Our first divisional meeting will take place on Monday October 16th at 6:30 PM. We'll be holding the meeting at Spumante Restaurant, which is located on Hempstead Tpke in East Meadow. This is a new location, and the restaurant is opening just for us. The menu is a good one, and the price \$24.00 has not changed. Because they are opening especially for us, I'm asking as many of you as possible to come out and celebrate the beginning of a new Kiwanis year. I look forward to seeing all of you there for a busy night filled with a little bit of work and lots of fun and fellowship.

My schedule is on the web at www.kiwanis-nylisc.org. If you need to reach me, you can call me on my Cell Phone at 639-8127.

Finally, I'd like to thank you for the marvelous opportunity that you've given me. While I'm feeling a bit overwhelmed at the moment, I know that together we're going to have a great year filled with lots of good times, community service, and wonderful memories.

!!!I'M BAAACK!!!

Under exceptional pressure exerted by Lieutenant Governor Sue Martin and anonymous members of a shadowy conspiracy, Immediate Past Secretary Alan Beinhacker has suspended his retirement, and returned to cyber space to help keep the division informed about upcoming events. While Alan's return is welcomed by all, we were unable to confirm the nature of the pressure, which was applied to bring him out of retirement so expeditiously. All inquiries into the matter have been met with a stony "No comment" from high-ranking officials of the LISC Division. Welcome back Alan.

WEST HEMPSTEAD KEY CLUB WARMS UP FOR RELAY FOR LIFE

AROUND THE DIVISION

We'd like to offer our best wishes to Uniondale's Caprice Rines. Caprice, who recently lost her mother, is now recovering from a knee injury, which resulted from being hit by a car. May your recovery be both rapid and complete.

We offer our deepest sympathy to DPP Nancy Kalberer of the Wantagh Club on the passing of her mother Doris Navin. Please know that you are in our thoughts and our prayers at this most difficult of times.

We send our best wishes and prayers out to Town Hall's Larry Schatz. As this letter is being written, Larry's in Columbia Presbyterian hospital. He's fighting a serious staff infection. You can give him a call at (212) 543-7068. He needs to be kept informed about the Mets and the Islanders.

East Meadow honored their outgoing President Dr. Alan Alterman. As is usually the case, Alan always kept his eyes on the prize as he commented, "Community service is our primary goal. We strive

Dr. Alan Alterman and Governor Joe Corace

to fulfill the Kiwanis vision of changing the world, one child and one community at a time. Through the participation of our members, we've helped to educate our children, support our community, and establish

ourselves as the premier service organization in East Meadow." Congrats to Alan. It's not every club president whose club supports both a Lieutenant Governor and Governor at the same time.

The club is also preparing for its installation of officers, which will take place on Saturday October 21st from 6 – 11 PM at Verdi's, which is located at 880 Old Country Road in Westbury. The cost is \$75.00 per person

The **Hempstead** Club would like to welcome Pamela Rothfeld as the new faculty advisor for the Hempstead High School Key Club. Hempstead has always had an active Key Club, and in October, members of the Key Club will be walking in the Making Strides Against Breast Cancer and the Autism Awareness walks, and they would appreciate support from Kiwanis.

The club is also looking forward to their installation of officers, which will take place on Sunday November 5th, 2006. Details will be announced.

Town Hall is joining with the Friends of Kelly Jon in a fundraiser, which will be held on Sunday October 22nd. Kelly has spent more than seventeen months, battling with, and recovering from Cancer.

President Alan Alterman and Past Governor David Rothman

During her extended hospital stay, her husband had to leave his job in order to care for the family. As you can imagine, the bills which this family is dealing with are extremely large, and this fundraiser is an effort to help the family out. But, this is not just a fundraiser,

it's a celebration of Kelly's homecoming. So the Town Hall club invites you to join the party, which will be held at the Bellmore Fire Department, which is located at 230 Pettit Avenue in Bellmore from 2 – 7 PM. There will be food, beverages, raffles, and a good time for all. The donation is \$30.00 per person or \$75.00 for a family with up to 5 children (under 18). For more information, please contact Justine DiMicelli at (516) 887-2009.

The club is planning an installation that will be filled with lots of good food and fellowship. The event will be held at Filomena's Restaurant on Wednesday October 18th at 6:30 PM. Filomena's is located on Hempstead Turnpike in Franklin Square. The cost is only \$30.00 per person
